The College Anthem has been digitally recorded and is aired on the PA system in the college every morning at 10 a.m. on all working days .

THE ARYAN VISION

The College was established by the founder principal Late Pandit Giridhar Sarma with the vision to cater to the need for higher education and to tap the intellectual potential of the youth of Assam in particular and the entire North East India in general. The College aspires to uphold the national policies on higher education which is to mould and prepare the young minds to meet contemporary challenges with special focus on the underprivileged students. Guided by the principles of inclusiveness, integrity, innovation, creativity and quality, the College has a vision to create an environment that is responsive to the needs of students and society at large.

THE ARYAN MISSION

The College since its inception has committed itself to the realization of the ideals reflected in the vision of the College. The missions of the College are:

- To enrich and empower the young generation through quality education.
- To achieve academic brilliance and prepare students to play a positive and meaningful role in nation building.
- To develop a vibrant academic ambience for research and higher studies.
- To organize vibrant development programmes and services to help students identify educational and career goals and set realistic career paths.
- To make higher education accessible to the underprivileged section of the society.
- To introduce innovative techniques to make the teaching-learning process more effective.
- To prepare individuals for productive contribution to society.
- To develop the potential of the students in co-curricular and extracurricular

fields through participation in literary, cultural, sports, and extension activities.

- To sensitize students towards social concerns like gender and environmental issues, human rights, ethical and patriotic values.

THE ARYAN AIMS AND OBJECTIVES

The college aims to inculcate the highest intellectual standards through rigorous academic commitment and discipline.

OBJECTIVES:

- To encourage students to identify their latent talent and potential.
- To ensure students' better academic performance than their previous performance at entry level.
- To cater to the needs of academically disadvantaged students.
- To sensitize students towards social values.
- To promote co-curricular activities amongst the students to develop healthy habits.
- To mould students into ideal citizens and thereby fulfil social obligations.
- To promote and develop research culture among the faculty members.
- To introduce IT courses and other technical courses order to enrich the students

for better employment opportunities.

- To create awareness regarding sustainable utilization of biodiversity and environment.

ARYA VIDYAPEETH COLLEGE: A PROFILE

Arya Vidyapeeth College, established on **29th July 1958**, is one of the premier educational institutions of Assam catering to the need of higher education and tapping the intellectual potential of the youth of the entire North East India. ***Tomaso Ma Jyotirgamaya (Let the advent of light remove all darkness)*** are the opening words of the vision statement of the College. Arya Vidyapeeth College is the result of the missionary zeal and relentless efforts on the part of a team of exceptional and farsighted visionaries led by Late Giridhar Sarma, an exceptional visionary, renowned academician and litterateur of repute. Luminaries like Mahendra Mohan Choudhury (former Chief Minister of Assam and Governor of Punjab), Prof. Radha Kanta Das, a prominent mathematician of the region, educationist Sarat Chandra Goswami and some other leading citizens were involved in this noble endeavour.

Since its inception, the College has consistently been able to meet the challenges and ever changing demands in the field of higher education. While keeping its roots deeply entrenched in human values, the College has carved a niche for itself as a melting pot of diverse cultures of the region which reflects the true spirit of India. The College is committed to empower the young generation through quality education and provides various opportunities to hone their extra- curricular skills and thereby developing their strong sense of social responsibility. Arya Vidyapeeth College has played a significant role in academic upliftment of the disadvantaged students of the region. The College has a steady record of ensuring a better academic performance of students with a lower input at the entry level.

Arya Vidyapeeth College has been the first amongst all the Grants-in-aid Colleges of Assam to open post graduate Course in Mathematics as well as Honours in Economics. It is worth mentioning that the College has introduced post graduate course in Chemistry and under graduate course in Commerce from 2015 on a self sustaining basis. Presently, the College offers major courses in 19 subjects at the under- graduate level. Keeping in mind the changing scenario, the College has been successfully running self-sustaining certificate courses in Computers, Human Rights and Bioinformatics. The academic status of the College received an encouraging boost when the Biotech Hub was launched under Department of Biotechnology (DBT), Government of India in 2009. On account of its excellent performance since its inception, the Biotech Hub of this College has been appreciated with the comment "Very Good" by DBT, Government of India. The Hub has been upgraded to Advanced Institutional Biotech Hub by DBT in 2015.

The College has recently opened four new departments viz. Department of Skill Development & Entrepreneurship, Department of Computer Science, Department of Disability Studies and Department of Psychology for the overall benefit of the student community.

The College has also set up a **centre for North East Studies** to promote research on India's North East in a multifaceted fashion. The college has set up **Institute's Innovation Council (IIC)** as a part of Innovation Cell, Ministry of Education, Govt. of India with a purpose of fostering student innovation.

The College has also reached out to the larger masses through distance learning by opening up a full-fledged Study Centre of the world's largest Open University, **IGNOU** and also of **KKHSOU**. Various courses ranging from Certificate to Master's level are offered in the Centres. The College has a large campus with more than 15 acres of land which include the academic campus, hostels, residential campus, a playground, and an Urban Health Centre. The students can avail free medical service from the Urban Health Centre. Moreover, the Health Centre caters medical services to the neighbouring locality. The laboratories of the College have all the requisite facilities which are supported by **DST-FIST**. The College has also added some digital class rooms to its existing facility. The library of the College has a substantial collection of books and journals available to the students and teachers. The reading space of the College library has been expanded to accommodate more readers. The library is accessible during the vacations. The cataloguing of the library has been updated with the latest *KOHA* software.

Arya Vidyapeeth College has been identified by the University Grants Commission (UGC) as an institution having potential for excellence. The **College with Potential for Excellence (CPE)** distinction with its accompanying grant has helped the institution to scale greater heights of excellence. As a part of the ongoing CPE scheme, several projects have been initiated both for institutional as well as community development. 24 hour power back-up facility, language laboratory, UV- VIS spectrophotometer, gemological instruments etc. are all part of the first phase of implementation. CPE grant has also led to the establishment of the Historical and Anthropological Cultural Heritage Centre in the College. The tradition of relentless pursuit of academic excellence and social commitment is aptly reflected in the re-accreditation of the college with grade '**A**' by the **National Assessment and Accreditation Council (NAAC)** in **2016**.

The college has celebrated its “**Diamond Jubilee**” in the year **2018**. Recently, six departments of the college has been selected by the **Department of Biotechnology (DBT)**, **Ministry of Science and Technology** under “*star college scheme*”.

The College has attained another feat recently as it has been granted autonomous status by the UGC for a period of ten years in May 2022.

The College has a **Students' Aid Fund** to support students belonging to economically backward section of the society. The College also facilitates the students to avail various scholarship schemes of the Government agencies. To address the problems faced by the slow learners the College arranges special classes, tutorials classes and remedial classes. Coaching classes are also organized for students appearing in NET/SLET /TET and other competitive examinations. Academic and Career Counselling services are also provided to the students. The College has set up an anti-ragging cell to curb the menace of ragging. For the overall development of the students, the College organizes various extra-curricular and co-curricular programmes with active participation of the students. Besides the annual College magazine, all the departments and the hostels publish wall magazines with students as editors and contributors. To ensure participatory democracy, the college has included student representatives in different committees and cells.

As a part of rendering community service and shouldering social responsibility, the College has adopted Garbhanga village situated in the periphery of the Guwahati city. By adopting the sole lower primary school located in the village and the College has taken positive steps towards the overall development of the students. The teachers of the College are actively engaged in empowering the students of the village in terms of providing quality education and facilitating their mental/physical/social well-being. The NSS unit of the College had adopted Pamohi village in the past and the most recent addition to this project of providing community service was the New GMC Colony area under Ward 20, Fatasil Ambari, Guwahati-25. The NSS in collaboration with the various departments of the College undertakes diverse activities and organizes socio-cultural awareness programmes/camps in the adopted areas.

The teaching faculty of the College has over the years shown a thirst for excellence. Faculty members are actively engaged in many research projects, authoring books and publishing research papers of national and international standards. The college has developed many national and international linkages on the academic front. Academicians and scientists from different parts of the country as well as abroad have visited the institution for research purpose and interaction with

students. Prestigious awards like the *Padmashree*, *Soviet Land Nehru*, *Sahitya Akademi Award*, *Katha Award* and awards from *Assam Sahitya Sabha* have been conferred on many of the faculty members. The prestigious Jnanpith Award for 2021, was conferred upon poet Nilmani Phookan, a retired faculty member of the College. It is indeed a matter of pride to state that there are faculty members having patents to their name. A frog species *Fezervarya sengupti* is named in honour of eminent herpetologist Dr. Saibal Sengupta of Herpetological Centre of the College. The College organizes seminars and workshops regularly for the enrichment of the students and the faculty members with funding from agencies like UGC, DST, ISI, ASTEC, etc. The Institution's Innovation Council frequently organizes lectures and various other academic activities to keep the academic ambience thriving.

The affiliating University has recognized 8 departments of the College for research leading to Ph.D degree. A good number of teachers of the College are recognized as research guides by different universities.

Over the years, Arya Vidyapeeth College has emerged as a throbbing centre of learning and confluence of diverse cultures and intellect. Aryan family beckons the student community to be a part of this glorious institution and stride along with it in its further strive for excellence.

The college has adopted the **Choice Based Credit System (CBCS)**, an internationally acknowledged system, for its Undergraduate Courses from the 2019-2020 session. As envisaged by Gauhati University, this system provides more flexibility to the students in the choice of courses of their interest. Under CBCS system, students have the opportunity to explore additional avenues of learning beyond the core subjects leading to a more holistic development of the students.

The college has taken the positive step of implementing the NEP, 2020, from the academic session 2023-24 by introducing a **four year multi-disciplinary bachelor's degree programme (FYUGP)** with multiple entry and exit options. The NEP, 2020, aims to pave the way for flexible and lifelong learning and encourages students to choose their academic path leading to the award of a certificate, diploma, and a degree. It allows multiple entry and exit points to students and therefore offers more flexibility and choice as compared to the previous education policy.

The College adopts unique ways to enhance the academic environment in the College and the neighbourhood. As such, **“The First Arya Book Fair, 2020”** was organized by the College from 17th to 23rd February, 2020. **“The Second Arya Book Fair, 2023”** was held from 6.2.23-12.2.2023. The College aims to inculcate and promote the habit of reading books by organizing these book fairs.

The Covid-19 induced Pandemic disrupted the teaching-learning process during the last academic year. To overcome the recurrent challenges, the college has initiated various online academic activities viz. interactive lectures on a wide range of topics, workshops and webinars on e-resources and platforms and FDPs, besides the regular online classes held for all courses. ***The college has several ICT classrooms dedicated for this purpose.*** The College steadfastly continues to uphold to its vision of imparting quality education despite the present circumstances and have been immensely successful in adapting to the changing times.

In recent times, the college has vigorously upgraded its infrastructure in an attempt to provide better learning facilities to the students. The College houses several ICT enabled classrooms and two fully equipped modern conference halls. The college has a museum dedicated to the founder principal Late Giridhar Sarma. The College steadfastly continues to uphold its vision of imparting quality education despite the challenges posed by changes in the education policy. So far, it has been immensely successful in adapting to the changing times as witnessed during the Covid-19 Pandemic.

Institutional Biotech Hub

To promote education and research in Biology/Life Science and Biotechnology, the institutional Biotech Hub of this college was established in the year 2010-2011, under the scheme launched by the Department of Biotechnology, Government of India. Department of Zoology is the nodal department of this Bio Tech Hub. The Institutional Biotech Hub(Advanced level) of Arya Vidyapeeth College since its inception has been actively involved in teaching and conducting hands-on training programmes for the students of the college in basic biotechnology, molecular biology and micro biology. It has a well-equipped biotechnological lab which caters to the need of the students in regards to enhancement of their practical knowledge. The hub is actively involved in conducting training or workshops for B.sc. students of Botany, Zoology, Chemistry and Anthropology. The Hub has reached out to neighbouring institutes for popularizing Biotechnology and its utility. The Hub extends facilities for Ph.D Scholars for research work. It also supports dissertation and research work of UG and PG students and Faculties for their various UGC research projects. The Hub has supported more than 30 students in their PhD dissertation and 3 PhD research scholars. The Hub also conducts popular Talks on recent trends in Biotechnology and its varied

applications. In totality, the Hub renders quality service to in-house as well as students and faculties of neighbouring Institutions and helps to inculcate scientific approach and temperament. It also conducts awareness drives and outreach programmes in different relevant topics and basic Biotechnology amongst neighbouring schools. Recently, the IBT hub has been upgraded to Phase II of the DBT-NER Biotech Hubs programme as Advanced-Level Institutional Biotech Hub. **Dr. Jinu Lagachu**, Department of Zoology is the Co-ordinator of the Institutional (Advanced level) Biotech Hub of Arya Vidyapeeth College.

CENTRAL LIBRARY

Arya Vidyapeeth College Central Library was started in 1958-in the year of establishment of the college. In the beginning it had very few books. Gradually, the numbers of collection as well as services have been improved. Now, it has a collection of over 55,000 (Fifty Five Thousand) copies of text and reference books covering a wide range of subjects. Besides useful journals, magazines and newspapers are subscribed regularly. The institution is in the process of acquiring new online research journals to suffice the academic needs of the teachers and students. In the reading room, attached to the library, text books, reference books, journals, magazines and newspapers can be consulted. Besides, every department has a Departmental Library where useful reference books are available for consultation. To increase reading habits among the users the library committee has introduced the "Best Library User" awards which are distributed on the occasion of Librarians Day. Students can surf Web-OPAC to check the availability of books they need personally. The college library is fully computerised with the help of 'KOHA open-source software'. Moreover, in E-resource centre internet facilities have been installed for research and advanced studies work. The college also have an institutional repositories viz. Pragyayan. Digital Xerox, Scanning, Printing, Binding facility are also available for the students. The College has access to many journals online and is also connected to N-LIST library facilities supported by Govt. of India. The library also takes feedback regarding library services from its users regularly.

HOSTEL

The College has two hostels, one each for boys and girls respectively. The Hostels are situated at just 200 metres away from the main Academic Campus. There is a hostel committee to look after the smooth functioning of the hostels. Intake capacities of the hostels are **90** and **70** for boys and girls respectively. Seats are allotted strictly on merit basis and reservation rules are followed as per Government norms. The management of the hostels is strictly supervised by the resident superintendents. The hostels provide all the necessary basic facilities to its boarders. The students can avail the medical facility provided by the Urban Health Centre in the hostel campus free of cost. The hostels maintain a policy of zero tolerance towards ragging and any form of harassment. Students from various parts of North East India take admission into the hostels thereby creating a space of cultural confluence. Besides maintaining a congenial academic environment, the hostels also encourage the students to develop their extra-curricular skills and sense of community life by organizing various sports and cultural programmes. The Boys' and Girls' hostels of the College publish their wall magazines regularly. The Boys' Hostel publishes an annual magazine, *Sashwat*. The Girls' hostel also publishes a wall magazine, *Srijani* and a hand-written magazine, *Jatrik*.

Objectives:

The Hostel aims to inculcate the highest intellectual standards through rigorous academic commitment and discipline. Its objectives are:

1. To provide a healthy environment for study and sports with minimum cost.
2. To cater to the needs of academically disadvantaged students.
3. To sensitise students towards social values.
4. To mould students into ideal citizens and thereby fulfil social obligations.
5. To create awareness regarding sustainable utilisation of biodiversity and environment.

Functioning of the Hostel:

For the smooth functioning of the hostel there is a Joint Hostel Committee which looks after the different affairs of the hostel besides framing rules and regulations for both Boys and Girls' Hostel. The structural composition of the hostel is having the Principal at the helm, with the superintendent of the boys' hostel being the convenor and the girls superintendent being the co convenor. The other members include the former superintendents and senior faculty members of the college. The day to day affairs of the hostel is looked after by the superintendant with assistance from the two floor monitors and other student office bearers of the hostel, including the auditor along with the manuals.

Some Facilities in the Hostels:

- Daily Newspapers (English and Assamese).
- Recreation Hall with satellite television connection.
- Indoor games like carrom, chess, table tennis, etc.
- The College Playground is very close to the Hostels which is used by students for major games like football, cricket, athletics etc.
- There is also a courtyard in front of the Boys' Hostel which is used for various minor games like volleyball, badminton, kabaddi, martial art etc.
- A gymnasium hall and a Yoga centre in the academic campus are also easily accessible to the boarders.
- The Boys' Hostel is under the surveillance of CCTV network.
- **Waiving Fees:** The Hostel also waives off 50% admission fees for the two monitors. Full admission fee is provided from the students aid fund for a boarder of very poor family.

- **Medical facilities :** The College has a Health Centre in the Boys' Hostel campus which has later (2009) been upgraded to the full-fledged Health Centre under the NHM in collaboration with Govt. of Assam. In case of emergencies, doctor's aid and other medical facilities are available and if necessary conveyance for transportation to the hospital is arranged for the boarders.
- **Facility of library:** In AVCBH, a library for the students with 273 numbers of books (including the handwritten Magazine) are available for the hostel boarders. To look after the library cum visitors room a student librarian is asked to take the responsibility and accordingly it runs. The Girls hostel is equipped with a library having 150 books including the handwritten Magazine.
- **Coaching Facility for the boarders:** There is provision for special free coaching for the boarders by the faculty members of the College.

Eligibility for hostel accomodation:

1. Only regular students of the College are eligible for hostel accommodation.
2. Admission to the hostels is purely on the merit basis.
3. Students who wish to avail hostel seat under reserved category must produce relevant certificates at the time of admission.
4. Outstation students will be given preference for admission into hostels.
5. The admission to the hostels will be finalised by the respective Superintendents on the basis of personal interview and the documents produced.

Admission Procedure for hostel:

All HS/TDC/PG first year students desiring hostel accommodation should apply to the respective Hostel Superintendents in prescribed form. Following documents must be attached with the completed application form at the time of submission:

- a) College admission receipt.
- b) Permanent Resident Certificate (PRC).
- c) Two passport-size photographs.
- d) Caste certificates (wherever applicable)
- e) Copy of marksheet

Incomplete forms will be summarily rejected. On selection, the students will have to submit an affidavit in a prescribed format available with the Superintendents. The College Authority reserves the right to refuse or cancel admission to a candidate without assigning any reason. The decision of the College Authority is final and binding.
